About us

Your Trusted Partner

Welcome to Microcode Software, your trusted partner for all your IT services needs. We are a leading comprehensive solutions provider specializing in translation, digital marketing and website design. With our expertise and dedication, we aim to help businesses worldwide achieve their goals and reach new heights of success.

Director's Message

Hello and welcome to Microcode Software. We are here to help you grow your business online.

We have a team of experts who are passionate about what we do and have extensive experience in the industry. We use the latest tools and techniques to create effective and engaging campaigns that drive traffic, leads, and sales. We also monitor and analyze the results of our work and provide you with regular reports and feedback.

We understand that every business is unique and has different goals and needs. We work closely with you to understand your vision, challenges, and opportunities. We then craft a customized strategy that aligns with your objectives and delivers results.

We are not just a service provider. We are a partner. Your success is important to us, we are committed to achieving it. We can always answer your questions, offer advice and support you. We value your trust and satisfaction and strive to exceed your expectations.

Rahul Singh
Managing Director

Why Choose Microcode

● Experience

Delivery

Quality: We work to give you the highest quality and complete satisfaction. However, if you are not satisfied with the quality of our services, you can request a revision within seven days after you have received it. We will make changes or provide service based on your requirements and feedback until happy. We do not charge additional charges for revisions unless you alter the original requirements for your service.

Delivery: The time to deliver your project depends on the nature, size, and degree of complexity of your order or service, in addition to the available staff and resources. We will notify you about an estimated delivery date when you purchase and confirm it once you pay. We will also inform the customer of delays and modifications regarding delivery time. We will not be responsible for any delay or interruption in delivery resulting from factors outside our control.

Terms & Conditions

The details of the services, including pricing, availability, and any limitations or restrictions, are outlined on our website or in separate agreements. We reserve the right to modify, suspend, or discontinue any aspect of our services at any time without prior notice.

User Responsibilities When using our services, you agree to:

- Provide accurate and up-to-date information required for the service.
- Comply with any guidelines or instructions provided by our company.
- Use the services only for lawful purposes and not engage in any illegal or unauthorized activities.
- Not interfere with or disrupt the functioning of our services or compromise the security or integrity of our systems.

Confidentiality Any confidential information shared by either party during the course of providing or receiving services shall be kept confidential and not disclosed to any third parties, except as required by law.

Payment Terms: Payment terms, including fees, payment methods, and billing cycles, are outlined in separate agreements or on our website. You agree to make payments promptly and in accordance with the agreed-upon terms. Failure to make payments may result in the suspension or termination of services.

Limitation of Liability: Our company shall not be liable for any direct, indirect, incidental, consequential, or punitive damages arising from the use or inability to use our services. We do not guarantee the accuracy, reliability or completeness of any information provided as part of the services.
